

jobWings.com and canadianretail.com team up to launch Retail.ca

Agreement makes Canada's leading Retail Job Board available also in French for Quebec retailers and job seekers.

MONTREAL, QC and VANCOUVER, B.C. (March 30, 2005) jobWings.com, the largest Canadian niche job board in Finance and Accounting and canadianretail.com, the top Canadian retail job board join forces to create and market Retail.ca, a Quebec-specific retail job board offered in French and English.

"canadianretail.com recognizes the importance of the huge retail community in Quebec and felt the best way to serve this market was partnering with Quebec's largest and most successful niche job board. jobWings and it's Publipac network is effective and innovative. We are pleased to link arms for this exciting project, says Brenda Dumont, President of canadianretail.com."

Quebec jobs posted on canadianretail.com will automatically be listed on Retail.ca. Both canadianretail.com and Retail.ca are members of the Canadian niche job board Publipac.ca that federates independent specialized Canadian niche job boards in various professional sectors.

"We are combining our strong understanding of the Quebec marketplace with canadianretail.com's retail expertise to serve Quebec retailers with a job board that really understands the needs of Quebec's retail job seekers and retail employers. With the retail industry now recognized as Canada's second-largest labour force in Canada (Statistics Canada March 2005), it was essential that Quebec's large retail industry be better served." says Manuel Francisci, President of jobWings.com

Together, the two Websites draw over 100,000 retail job seekers per month and currently list about 1500 job openings. "With the largest number of retail clients posting jobs online in Canada, we are now able to offer retail job seekers an unparalleled selection of jobs from coast to coast", says Dumont.
