The Ordre and jobWings offer a new job search tool for chartered accountants

The Ordre des comptables agréés du Québec has just signed a major partnership agreement with jobWings.com careers inc., owner of JobWings, the very popular job search website.

JobWings was created in February 2001 and is dedicated to publishing job postings in the fields of finance, accounting and management.

Thanks to this partnership, the Ordre will benefit from JobWings' support and expertise in carrying out its activities and will be able to offer even more services to CAs. Members of the Ordre looking for employment can already take advantage of this agreement by viewing various positions of possible interest to them at www.oqaq.qc.ca/jobs.

Job seekers can also enter an e-mail address along with some search criteria in order to be notified by e-mail when matching jobs are posted.

In addition, if you are an employer seeking one or several CAs, we invite you to post your job offers on the www.oqaq.qc.ca/jobs site. Take advantage of this opportunity to reach the 16,800 CAs who visit the Ordre's website.

For more information about this new service, please go to the "Career and development" section of the Ordre's website and click on "Job offers for CAs."
